# Panathalon Bowling

Last week we took a team of children to Acocks Green Bowl on where they took part in the Panathlon Bowling Competition against other schools. The children had a wonderful time bowling with their friends and Ronel was our superstar bowler who managed to achieve a score of over 100!!

Each child was awarded with a certificate and a medal.

Our Woodhouse bowling team was: Ronel, Samuel, Nathan, Hayden, Osman, Porscha, Ava, Bethany, Lorenzo, Isaac, Jaxon, Lavelle

We are very proud of all of them.

# WOODHOUSE PRE-LOVED ESSENTIALS

We have a wide range of pre-loved uniform and non-school uniform items free of charge to those who need them. You are more than welcome to come and help yourself anytime.

We also have shoes, trainers, coats, hats, gloves, scarves and bags available.

---

## Household Support

We are also able to access support for a wide range of household items such as white goods, beds, bedding etc.

Please speak with Mr Kennedy, the office staff or email us at [families@whp.greenheartlearning.org](mailto:families@whp.greenheartlearning.org) if you need support with any of this.

---

## Help with Laundry

Thanks to a company called Smol and their Suds in Schools project, we also have washing and drying facilities within school for families who are struggling with this where we can offer a discrete laundry service.

If this is of any help to anyone, please speak with Mr Kennedy.

**Are you a permanent resident of Harborne, Quinton or Smethwick?**

**Are you struggling due to a restricted income or crisis?**

If so, Harborne Parish Lands Charity (HPLC) may be able to help provide you with essential items for your home such as white goods, beds, bedroom storage, or a whole host of support. This list isn't exhaustive but unfortunately we cannot provide cash or debt relief or help with bills.

HPLC is a friendly local charity. Our mission is to help people who are in need and who live in the "Ancient Parish of Harborne" (which even includes a large area of Smethwick!)

Each case is always looked at on an individual basis and application are always followed up with a home visit.

For an informal chat about your circumstances, please contact a member of staff at reception, or in the office, or one of our Support Officers.

There is a wonderful baby bank available that is run by Helen,  
a member of the Woodhouse community.

They are able to support new and expecting mothers with a  
wide range of items.

If you would like to access this support, you can call or email  
using the details below:

# Christmas Fayre

With our annual Christmas Fayre not too far away on December 11th, we are looking for any donations of unwanted toys, books, trinkets etc. in a suitable condition that we can use for the fayre. We can also accept donations of reusable gift bags.

Closer to the date we will also be having non-uniform days where donations can be made.

Any donations can be made to the main office.

---

## Christmas Jumper Swap

Christmas Jumper Day is one of the highlight days of the festive period with all the brightly coloured jumpers on display.

With this in mind, we are collecting pre-loved festive jumpers that may now be too small and providing a swap-shop service where families can come and get one free of charge. This will be available closer to Christmas.

So check the backs of cupboards and in the loft for any festive jumpers that you can donate and trade.

## PERFORMANCES

Please make sure your children are in school on time to allow them enough time to get costumes on etc. Reception and KS1 performances will be in the main school Hall. Nursery will be performing in the classroom. Once the performances have started, please do not leave unless you really have to. It disturbs the children. Video and photographs can be taken as long as they are not shared on social media.

## CHRISTMAS JUMPER DAY

We ask for a £1 donation, if possible which goes towards Save the Children. Children can wear a Christmas jumper, or any other jumper and the remainder of their school uniform. There will be a Christmas jumper exchange taking place if you wish to donate any old jumpers or you wish to swap them.

## CHRISTMAS FAYRE

This will be in the main school building. There will be no Santa at the Fayre as the children will have seen him during the day. If you have any good quality unwanted toys or gifts that you are looking to donate we would gladly accept them to use for the fayre.

## DONATIONS

Friday 29<sup>th</sup> November children can come to school in their own clothing, but with the bottom half still school uniform. We are asking for donations of bottles for the Christmas Tombola.

# November is Cut Your Carbon month!

Eco-Schools is challenging young people across the UK to take action on their carbon footprint. Completing these 6 simple actions with family and friends will raise awareness, change behaviours, and Cut Your Carbon - a greenhouse gas responsible for driving climate change.

find out more!

**So grab a magnet, stick this checklist to your fridge, and take action!**

Throughout November...

1

**Make 5 miles of travel 'active'.** Did you know, a petrol car creates around 1kg of carbon dioxide equivalent emissions (or 'CO<sub>2</sub>e') every 5 miles? 'Active Travel' - such as walking, scooting, wheeling, or cycling - doesn't emit anything! So, we're challenging you to make 5 miles of travel active. Whether it's a single 5-mile trip, or five 1-mile trips... ditch the drive!

2

**Go plant-based for a day.** Meat production is responsible for around 14% of the world's greenhouse gas emissions. Choose a day to go plant-based and discover how delicious cutting carbon can be! By switching from a meat-based diet to a plant-based diet, for just one day, you can reduce your emissions by nearly 3kg CO<sub>2</sub>e.

3

**Turn down the heating by 1° for a week.** Heating is the biggest source of carbon emissions in many homes. So pop on a jacket and drop the thermostat by 1°. Completing this challenge could prevent an additional 6kg CO<sub>2</sub>e!

4

**Buy nothing new for 1 month.** The production of every item that you buy has a carbon footprint. Write a list of every non-essential item that you bought (or was bought for you) last month. Put them into categories - e.g. clothing, toys, or cosmetics - and don't buy anything from one of these categories for 1 month. If you purchase 1kg less stuff during the month, you can save an average of 6kg CO<sub>2</sub>e.

5

**Substitute 4 baths for 4 showers and limit them to 4 minutes.** Cleaning and pumping water to our homes creates carbon emissions. So does generating energy to heat it. This means that shorter showers are good for our planet! Limiting 4 showers to 4 minutes will save around 1.5kg of CO<sub>2</sub>e. We recommend using a 4-minute song as a timer that you can sing-along to!

6

**Switch off all of your non-essential electrical devices for an hour.** Electricity can account for 25% of your home's carbon footprint. Think about when your family uses the most unnecessary electricity, maybe you're gaming, or perhaps watching TV? At that time, turn off all non-essentials for 1 hour and do something device-free!

1. Make 5 miles of travel 'active'

2. Go plant-based for a day

3. Turn down the heating by 1° for a week

4. Buy nothing new for 1 month

5. Substitute 4 baths for 4 showers and limit them to 4 minutes

6. Switch off all non-essential electrical devices for an hour

COMPLETED BY .....

# SHOWER POWER!

**CHOOSING A 4 MINUTE SHOWER  
OVER A BATH WILL SAVE UP TO 44  
LITRES OF WATER AND REDUCE  
YOUR CARBON FOOTPRINT!**

**ELECTRICITY CAN ACCOUNT FOR 25% OF  
YOUR HOME'S CARBON FOOTPRINT,  
SO USING LESS IS FOR THE BEST!**
