**RE: Student Leadership at Woodhouse Primary Academy**

Dear Parents/Carers,

I wanted to write to you and share the selections for student leadership roles at Woodhouse Primary Academy for this year, 2024-2025. Each year, our Year 6 children undertake a selection process where they have to apply for a student leadership position if they are interested in a role. All applications were of a very high standard, with the children explaining what they would bring to the different roles and their passion for our school. After long discussions and careful reading of all the applications, we have made the following appointments for this year:

**Head Girl:** Jasmine Satar, 6WO      **Head Boy:** Rae'y Balcha, 6WO  
**Deputy Head Girl:** Myrtle Bonnie, 6D      **Deputy Head Boy:** Aryan Rawal, 6WO

**School cabinet representatives for Nursery, Reception and Year 1:**

Charisma Mills, 6D (1B Class Representative)  
Shanice Thompson, 6WO (1O Class Representative)  
Lara Berkdar, 6WO (RL Class Representative)  
Rayhanah Adeeb Razaq, 6WO (RW Class Representative)  
Simran Lal, 6D & Laura-Jane James, 6D (Nursery Class Representatives)

**Prefects:**

Sanogika Paramasivam, 6D      Amyla Clarke-Gayle, 6WO  
Nithal Ibrahim, 6WO      Mollie Shipley, 6WO  
Madison Francis, 6WO

I would like to invite the parents of these children to our KS2 Star of the Week assembly next week, on Friday 11<sup>th</sup> October, starting at 9am, where the children will be presented to KS2.

There are other opportunities for children to lead in our school, and we are running our student cabinet elections in each class from Y2-6 today. I have been so impressed with the quality of applications from children to be their class representative. Thank you for encouraging and supporting them to put themselves forward for election.

I am sure all parents will join me in congratulating the children who have been appointed this year.

Yours sincerely,

Mr Oliver Wilson,  
Head Teacher,  
Woodhouse Primary Academy
