

Woodhouse Primary Academy

Curriculum Statement

Overview:

Woodhouse Primary Academy has developed an ambitious curriculum that has been constructed and designed to give all pupils, particularly disadvantaged pupils and pupils with SEND, the knowledge and cultural capital to prepare and equip them for the next stage of their education and to enable them to succeed in life.

- Our curriculum is **knowledge engaged** and remains as broad as possible throughout the whole school.
- The design of the curriculum for all subjects is driven by the end of Key Stage Statements (1 and 2) in the National Curriculum programmes of study.
- The National Curriculum can be viewed in full at:
<https://www.gov.uk/government/publications/national-curriculum-in-england-primarycurriculum>
- Children are taught to apply knowledge and are given opportunities to make links, comparisons and reflect on learning across the range of the curriculum. They show their understanding of the interconnectedness of learning and the depth of knowledge which is built over time.
- The curriculum is coherently planned and sequenced to provide cumulative knowledge, which children will demonstrate through their output in and across a range of learning outcomes.
- The curriculum is successfully adapted and designed to be ambitious whilst meeting the needs of children with SEND. Specialist support and expertise helps these children to develop knowledge and apply this with increasing fluency and confidence.
- The school utilises specialist teachers, where appropriate, to deliver specific aspects of the curriculum. The skills and abilities of these teachers are used to support and develop the practice of all.
- Each area of our curriculum supports the children with ambitions of Greenheart Learning Partnership: **Being, Belonging, Becoming**.

PSHE / RSE

In PSHE throughout Key Stage 1 and 2 we follow the Jigsaw scheme. This builds on what children are taught and experience over the course of the primary years. Assembly themes and other areas of the curriculum reinforce the ideas and concepts that Jigsaw promotes.

RSE is taught throughout the school at an age appropriate level. In the older year groups we take advantage of visiting specialists who deliver specific aspects of the RSE curriculum.

Both PSHE and RSE are complimented by an annual visit from The Life Education Caravan. All children take part in an age appropriate workshop. A workshop session is also held for parents.

Our Curriculum and SEND

The ambitious curriculum at Woodhouse has been designed for, and can be accessed by, the overwhelming majority of our children. Quality first teaching, appropriate differentiation and resourcing adapt the curriculum to meet the needs of almost all children.

In a very small number of cases, a bespoke curriculum may be written to meet the needs of an individual whose complex needs mean they are unable to access the curriculum without specialist provision. This is always done with, and approved by, the SENDCO.
