

Dear Parents/Carers,

**Re: Additional INSET Day – Friday 18th July 2025**

We are writing to inform you of a necessary update to our school calendar involving an additional INSET day.

As you may recall, the Whole Trust INSET day originally scheduled earlier this year in January had to be cancelled due to severe weather. This whole-partnership training day was moved and subsequently replaced our own INSET day on April 11th.

However, the in-school training that had been planned for the April Training day is still essential for staff development and must now be rescheduled.

The focus of this training is on enhancing our curriculum offer, and it will directly benefit your children from September onwards. With this in mind, we believe it would be less disruptive to hold the training at the end of the current academic year rather than carry it forward into the next.

Therefore, **Friday 18th July** will now be designated as an INSET day, and the school will be closed to pupils on this date.

We understand that this change comes at shorter notice than usual, and we apologise for any inconvenience this may cause. We wanted to ensure all arrangements were in place before confirming the date. We also felt that this date would best suit parents falling at the end of term

Thank you for your continued support and understanding.

Please do not hesitate to contact myself or Mr Wilson should you require further information.

Kind regards

Charlie Chambers  
Director of Education  
Greenheart Learning Partnership
